I'm so grateful for my dedicated supporters ...

Joe waved signs for me for more than three hours last night before the President's Team meeting in Rome last night!

Thank you, Joe!

Tom Homan nailed it.
@AOC is dangerous not only for NY, but the entire nation.
"tipping off" illegal communities.
Who exactly do you serve?
America is fed up with AOC and the Anti-American Squad.
Just wait until I'm elected.
So done.

2. Squad attack American business, workers, and our country.

I'll go on offense, fight back in defense of our American values, work to get the government out of the way, and vote for policies that will loosen the government stranglehold on businesses and the American people.

Do you have any responsibility to tweet honestly?

The radical Socialist Democrats want to pass the Anti-American New Way Forward Act to allow criminal felons to stay in America.
They broke in our country in the first place.
Then committed crimes.
Harboring them safely, giving them aid/comfort is treason.

President Trump's budget sets the right priorities:

-Funds the wall
-Supports our military
-Cuts wasteful foreign aid
-Enacts work requirements for welfare recipients

Most importantly, it sets us on a path to a balanced budget.

Wrong again! You used to be a fiscal conservative. What happened to you? We must preserve social security Medicare and Medicaid from those who would impoverish our seniors and further impoverish the poor!

Always hear this, Janet. Been on social security for several years now. Have had a couple of raises but never had anything reduced. Medicare covering more than when I started. The only people who claim this use it as a scare tactic. Try something else. #neverworks

We have to keep up the attack on the DC Swamp.

If we hold back now, they'll turn our country into a Venezuelan-style socialist wreck.

Vote to re-elect Pres Trump for four more years, and vote Marjorie Greene for Congress in 2020!

Today, Senate Democrats again refused to allow a debate on a resolution that would save babies who survived abortions. Their callousness for innocent life knows no bounds. I will continue to be a voice for the unborn in the U.S. House of Representatives.

Yet Warren cares nothing about US citizens and tax payers who could be infected by people illegally entering the country while infected with the coronavirus.

There is nothing racist about building a wall with tax payer $$ for border security.

This court ruling is great news for the U.S. & the rule of law.

Many cities are in open contempt of U.S. law by refusing to cooperate w/ immigration enforcement laws.

I applaud President @realDonaldTrump for holding these sanctuary cities accountable.

Congress should not renew FISA authority under any circumstances without major changes first to protect Americans from abuse. Period.

Nobody smart and a true patriot wou d work for Trump.

But it says a ot about your North Korean m ndset that "loyal" wou d even make your list. We look forward to having a President who va ues competence more than loya.ty.

Sorry I got emotional but the abortion thing hits home with me. Thank God my mom was a Christian. Plus she was the one who told me about Jesus Christ. Thank you for listening. I'll be praying for you and your family. We need you in Congress!

I'm opposed to this FISA reauthorization that we are voting on today.

It's not enough to meet Americans halfway with their constitutional rights. The 4th Amendment is in the Constitution/Bill of Rights for a reason.

This bill doesn't come close to protecting all Americans.

One of the reasons why D.C. is labeled the "Swamp" is because of how we review & pass federal appropriations.

We received 2 appropriations bills last night & will vote on them less than 24 hours later.

These are the kind of solutions we need - not the heavy hand of government coming in and shutting down businesses.

This could be done at restaurants too.

Please close down everything for a time. Cases are rising so much and now all 50 states have it. Let's keep this beautiful state of GA in our minds and be proactive. Just close everything down for a time to limit the spread while also not overwhelming hospitals and staff there.

She forced our country knee-deep in impeachment during December and January, then called President Trump's travel ban in January "un-American." All she cares about is power, not solutions.

America is strong ... We're a nation that has fought through many battles.

During the China virus shutdown, I really miss going to the gym / seeing friends and working out with people, but I'm committed to taking care of myself because I train for life.

Happy Monday everyone!

On Sunday, Nasty Nancy Pelosi attacked President Trump on Fake News CNN ...

Meanwhile, just last month, Pelosi was virtue signaling, cruising through Chinatown in San Francisco, while attacking the President's travel ban as "un-American."

If you want to stop legislation like HR 5717 from becoming law, then you need to be registered to vote. Not only that, make sure your pro-gun friends and family are registered, and get them to the polls this November!

When the Horowitz Report came out, James Comey said that those who attacked the FBI on #FISA "should admit they were wrong."

The only thing we were wrong about was FISA abuse was even worse than we thought!

In fact, the FBI failed over 92% of the time.

My unsolicited advice to you is to gain followers. Follow people back. If you don't follow, they won't follow you. Many large accounts started out following other large 30K+accounts. . "Used" to get their accts large, then purged those of us who helped. I hate it but it works

It's you who has shamefully tried shoving your Democrat Socialist garbage policies into the massive stimulus spending.
Never let a good crisis go to waste, right Nancy?

The Democrats in power don't care about working class America!

Quite frankly, they don't want a working class.

They want a Ruling Class & a Government Dependent Class.

We need to take Congress back in November & elect people like me who will stand up for working class America!

The problem with the Citizens United ruling is that it allows unlimited contributions to remain secret. That meant the Koch brothers were able to keep much of their anti-democracy completely hidden from the public.

Remember when the Iranian navy abducted members of our Navy, forced our women Sailors to wear a Hijab, and then were paraded around like caged animals before being returned to the USA?

All Obama/Biden did in response was thank the regime!

Those days are long gone!

I'm running for Congress to prevent 'the Squad' from enacting their radical leftist policies like the Green New Deal that would cost Americans $93T and millions of lost jobs.

I will always stand up for American workers!

It's time for Socialist Stacey Abrams to stop whining, shut her mouth and instead come up with solutions other than destroying America with Socialism.

She's a delusional Socialist wannabe & a dangerous bullet we Georgians narrowly avoided.

Not really. This whole "pandemic" has helped me analyze a lot of my life's plan. Not sure who or what to believe in when it comes to the BIG picture, but for me a cold hard fact that needed to be faced was, my "job" is non essential. So much wasted time. Education is key

Hillary Clintons endorsement of Joe Biden should come as no surprise. She has a long history of supporting sexual predators:

-1975 she represented a man that raped a child & laughed about getting him off

-Defended Bill Clinton & attacked his victims

-Praised Harvey Weinstein

Nancy Pelosi just endorsed @JoeBiden despite the fact that a credible woman, named Tara Reade, accused him of sexually assaulting her while she was a staffer in his senate office in 1993.

Nancy Pelosi will not call Congress back to work.

Is she unfit to serve and do the job?

Or is she REFUSING to do her job?

Either way, I don't think the do nothing Democrats in Congress should get paid if they won't show up to work.

Shelley Luther should immediately be released from jail. Locking her up is a misguided abuse of power, especially considering Dallas County released real criminals to “protect them from COVID-19.”

Release her now so she can return to her family.

Jailed for Working to Feed Her Family

AUSTIN – Attorney General Ken Paxtontodaysent a letter to a Dallas County judge, stating that he abused his authority by putting Shelley Luther, owner of a hair salon, in jail for opening her salon to feed her family.

“I find it outrageous and out of touch that during this national pandemic, a judge, in a county that actually released hardened criminals for fear of contracting COVID-19, would jail a mother for operating her hair salon in an attempt to put food on her family’s table,” said Attorney General Paxton.

Organize. Register. Vote

Adam Schiff said their was 'direct evidence' of Russia collusion. New documents say the exact opposite.

- ZERO evidence of collusion

- $25.2 million WASTED

- Trust in Democrats GONE

So why is @AdamSchiff still chairman of the House Intelligence Committee?

Twitter once suspended my account when I said God created only two genders, male and female.

Yet this just guy wished he could be my father & kill me as an unborn baby.

In Congress, I will look into the clear political bias at these big tech corporations.

The days of the Deep State are numbered.

They tried to impeach our President @realDonaldTrump and throw @GenFlynn in jail.

I've had enough of this corruption.

When I am elected to Congress, I will call on Barack Obama and his cronies to testify!

McConnell should remember he can't confirm good judges if GOP is not in majority and if Trump isn't president to nominate them. Both things are threatened by his long-time lack of interest in holding Russia hoaxers accountable for what they did.

I took this picture from outside a bar that is bravely re-opening in Georgia.

The bravest people in America are small business owners.

They are the backbone of our nations economy and risk everything to survive.

We need to declare Sanctuary for small businesses.

Gym owners like Ian Smith of NJ need to reopen to provide for their families

Enough of the Blue State oppression of small businesses

In 1990 @JoeBiden passed the Gun Free Zones Act

That year one of my schoolmates took our school hostage & there was no good guy with a gun to stop him

Since then 92% of mass shootings including the Santa Fe shooting that happened 2 years ago today took place in gun free zones.

The media could not be played.

In 2005 @JoeBiden sponsored and passed a Bill that stripped bankruptcy protection from millions.

The leading company that was lobbying Biden to pass this was MBNA bank.

Coincidentally MBNA bank was paying Hunter Biden $100k+ for 'consulting services' during the same time.

It's hard to comprehend how many people have died for our freedoms. I pray that we always remember, freedom isn't free. That it's comes with a price that can't be repaid. I hope we always fight like hell to keep our freedom and never let these good soldiers deaths be in vain.

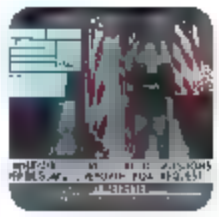
First, Gretchen Whitmer wouldn't address "every rumor" online.

Then, she "adamantly denied" her husband invoked her office to put a boat in the water.

Now, Gretchen admits her husband did try & blamed it on 'a failed attempt at humor.'

It's only humor because they got caught!



Washington Examiner @dcexaminer

@GovWhitmer claims her husband's attempt to cut the line to get his boat in the water before Memorial Day was a "failed attempt at humor."

Declare ANTIFA a terrorist organization.
They must be treated as terrorist and held accountable for these attacks on our American cities.
Antifa's goal is communism and they believe they will achieve it by tearing our country apart.

Neither Joe Biden nor the Democrats want to "DEFUND THE POLICE." This is simply more propaganda and false accusations from Trump. We want to reform the police, limit the power of police unions, and ensure that the systemic racism within police departments is finally eliminated.

3.

The stakes are too high in 2020 for me to sit back and watch the pro-Trump conservative 14th CD fall into the hands of a tax-hiking career politician or Never Trump activist who has the interests of the politicians and Big Government lobbyists over the interests of the hard-working people of the district

I'm fed up with radical Democrats like Nancy Pelosi, AOC, and the Socialist Squad implying that all women share their left-wing agenda that is destructive to our American values and way of life

We need more women in Congress who will proudly and enthusiastically defend our constitution and our freedoms, and work to ensure our children and grandchildren will be able to pursue their American dream

As the 14th CD's Republican Representative, I will fight back with everything I have against the radical left-wing Democrats who want to raise our taxes through the roof, rip our borders wide open, have government takeover healthcare completely, ram the so-called "Green New Deal" down our throats, confiscate our firearms, and send our country down the road to Venezuelan-style socialist misery

With over $500,000 on hand and a growing grassroots base of over 1,000 financial contributors, my campaign is ready to go and ready to earn the vote of Republicans across the 14th

I'm a Georgia girl, born and raised. My husband and I have spent the last two decades building our businesses and creating thousands of jobs in more than eleven states

We were proud to work on a WinShape construction project at Mt. Berry as well as construction projects from Rome and down into Paulding County through the years

My campaign slogan is "Save America. Stop Socialism." I'm not willing to sit on the sidelines and allow hate America leftists to destroy our great country

We have a plan for victory: we will win by campaigning not to the career politicians, but by speaking and listening to people across the 14th one door, one voter at a time

The stakes are too high in 2020 for me to sit back and watch the pro-Trump conservative 14th CD fall into the hands of a tax-hiking career politician or Never Trump activist who has the interests of the politicians and Big Government lobbyists over the interests of the hard-working people of the district.

I'm fed up with radical Democrats like Nancy Pelosi, AOC, and the Socialist Squad implying that all women share their left-wing agenda that is destructive to our American values and way of life.

After being urged by many conservative supporters, spending the last few days in prayer and discussions with my family and close friends, as well as traveling throughout the district, I'm excited to announce that I'm running to be the next Republican Representative from Georgia's 14th Congressional District

As a Christian conservative wife, mother of three, life-long Georgian, UGA graduate and a successful business owner in the construction industry, I'm 100% committed to helping re-elect President Donald Trump for four more years, taking back the Congress from Nancy Pelosi, holding on to the U.S. Senate, and Keeping America Great

I'm not a career politician.

I'm a problem solver and political outsider

My campaign has two press releases this morning. This is the first. #gapol

Press Release
Contact: isaiah@Greene2020.com

After much thought and careful consideration, I've decided to end my campaign for Congress in Georgia's 6th Congressional District.

I'm forever grateful to my family and friends, contributors, and grassroots volunteers who were energized to get involved by my 100% conservative Republican message. Take one trip around the 6th CD and there's no doubting our campaign has energized the Republican base.

As a conservative Republican, my number one priority in 2020 is to re-elect President Donald Trump for four more years, take the U.S. House back from Nancy Pelosi, hold the U.S. Senate, and make sure Democrats don't get anywhere close to taking over the Georgia General Assembly.

Please stay tuned for another Press Release from my campaign momentarily.

Thank you.

As a candidate for the Republican nomination here in Georgia's CD6, I believe Governor Kemp should listen to the people who put him into office and appoint someone who we know 100% will vote against Nancy Pelosi's Witch Hunt Impeachment of President Trump in the U.S. Senate

Of the two candidates that are being talked about the most, Doug Collins is the only one we know who would vote to defend Pres Trump against Pelosi's Impeachment.

I have serious concerns about Kelly Loeffler's professional ties to PP, Stacey Abrams, and devotion to Mitt Romney.

To get costs down for American families we must increase competition, price transparency (let's see the prices!) and deductible security! #gapol

I'm Georgia born & raised.
Own and operate my successful business & raised my three children here in my GA06 CD, it's my home.
McBath doesn't care about our jobs or businesses.

She votes to crush small businesses like mine and votes the same as radical socialist AOC and Israel hating Ilhan Omar nearly 100% of the time.

When I was in high school, another student brought guns to school & held kids hostage for hours with guns.
No one could protect us.

As a survivor impacted by gun violence, I know how difficult and frustrating it can be to see these types of responses from public figures. They try to distract from the truth. *They try to shame victims of gun violence and folks with mental health issues.*

So today, I am calling on my opponents Karen Handel and Marjorie Taylor Greene: *please do better.* Address mass shootings by proposing solutions. Don't scapegoat video games and mental health issues. Don't use tired talking points.

I'm shocked to learn my Democrat opponent Lucy McBath is using me to fundraise off the tragic #shootings this past weekend.

If anyone donates money, please donate to the victims families in El Paso or Ohio, not to candidates for these sad events.

My Republican opponents' comments on gun safety over the last few days have been absolutely infuriating.

Please help me to ensure their insulting, ignorant, and ineffective comments on gun safety never reach the floor of Congress.

DONATE

Hi [redacted],

There are the responses to a mass shooting you expect to see, and then there are the ones you dread seeing. Unfortunately, my opponents trying to take my seat in Georgia's 6th District have been as cynical as it gets.

In a Facebook post on Sunday, Karen Handel remarked: *We are seeing the usual calls for more control gun. It is highly doubtful that any new law could have prevented these or any other shootings.* **Handel then proceeded to pivot to the Washington Republican talking points that video games and mental health issues were to blame, not the ease of access to high-powered guns.**

Handel is wrong, and the science here is clear. If implemented, universal background checks would save lives. Red Flag laws would save lives. Gun safety measures would save lives.

It's pretty simple, Jeffrey. Folks in other countries also grapple with mental health issues and play video games. Other developed countries don't have gun violence problems like America. **We must acknowledge that the problem is our dangerous gun laws.**

And sadly, Handel's response was measured compared to my self-funded opponent Marjorie Taylor Greene.

Greene took to social media to proclaim that I was "playing identity politics" by addressing the role of hate in El Paso. She tried to use other examples of terrorism like bombings as a straw man argument to say gun policy reform wouldn't save lives. Greene is also on the record as saying she would **never vote for any form of gun safety measures.**

As a survivor impacted by gun violence, I know how difficult and frustrating it can be to see these types of responses from public figures. They try to distract from the truth. *They try to shame victims of gun violence and folks with mental health issues.*

So today, I am calling on my opponents Karen Handel and Marjorie Taylor Greene: *please do better.* Address mass shootings by proposing solutions. Don't scapegoat video games and mental health issues. Don't use tired talking points.

Real lives are at stake here. Georgian lives. American lives.

In solidarity,

Lucy

Another example of how the system failed and more laws won't prevent anything bc the current laws didn't.

More laws don't change the condition of the human heart and mind.

@FrankBruni in this case Twitter is a toilet and so is this hateful piece.
Attacking @IvankaTrump in tasteless style with woven jealousy just feeds divisive hate in our country.
@realDonaldTrump has every reason to be proud of his amazing daughter.

Betsy Ross hand sew American flags for George Washington during the Revolution. She saw men die for us to be free, she knows what real sacrifice means.

Remember when the Bush administration bullied media into using their devised term "enhanced interrogation" instead of the accurate term "torture?"

Well, waterboarding was torture. And these are concentration camps.

Journalism should be about the truth. And this is the truth. ⬇️

Your ignorance is astounding. You do realize that migrants are willfully entering these holding facilities by willfully entering our country right?!
Where in Germany, no one willfully entered a concentration camp where over 11 million were killed.
